PRESS RELEASE N5

Launch of Circulation of Numismatic Coins

QAZAQSTANNYŇ ASTANASY – NUR-SULTAN

March 19, 2021

Nur-Sultan City

The National Bank of Kazakhstan launches circulation of numismatic coins QAZAQSTANNYŇ ASTANASY – NUR-SULTAN from the Outstanding Events and People series. Silver coins containing a gold component have a face value of 1,000 KZT.

Information about market launch of the coins will be additionally posted on official website of the National Bank.

The new coins have 1,000 KZT face value, total weight: 62.2 grams, including 46.2 g of 925/1000 fineness silver and a 16 g component from 999/1000 fineness gold, quality: proof, diameter: 50 mm, circulation: 1,000 coins.

The coins must be accepted throughout Kazakhstan for all types of payments and also for crediting to bank accounts as well as for remittances, change and exchange in all the banks of Kazakhstan.

Coins come in a souvenir packaging and have a numbered certificate of quality from the National Bank of Kazakhstan in the state, Russian and English languages.

Numismatic coins are released by Kazakhstan Mint.
